

## LJKC Missional Generation Open House

### 1. The history and development of the mission of Lord Jesus Korean Church as Missional Church

- 1) The missional church restores the essence of the church and promotes the Kingdom of God in the cultural environment and community in which the church finds itself. It means a church that finds the mission given to the local church for its calling and sending, dedicates to it.
- 2) For the past 21 years, Lord Jesus Korean Church has been bearing many fruits of the gospel as a church serving the Richmond area and nations under the communal mission of “a missional church serving neighbors together” and “social mission for love and justice”.
- 3) Thanks to these efforts and development, in 2011, our church became the first Korean church to receive the Elinor Curry Award from the PCUSA.
- 4) These are the key missional church ministry works for the past 21 years:
  - ① Intercultural Music Festival
  - ② Korean Food & Culture Festival
  - ③ Hosting CARITAS (Homeless Ministry)
  - ④ MONROE PARK SOUP KITCHEN for homeless
  - ⑤ Home repair for the elderly living alone (RENEW CREW)
  - ⑥ ASP (Appalachian Service Project)
  - ⑦ International Hunger Eradication Movement (STOP HUNGER NOW)
  - ⑧ Sharing CHURCH SPACE TO THE COMMUNITY
  - ⑨ SOCIAL SERVICE FOR THE KOREAN COMMUNITY
  - ⑩ Missional Church Seminar (4 times hosted sharing the vision of Missional Church)
- 5) After 2020, passing through the era of COVID-19, the church has moved on to the second chapter of the missional church as a “missional church moving beyond the new normal to the Jesus normal.”

## **2. Mission-All Church Vision**

**\* LJKC Vision Statement: "Missional Church in Jesus Normal serving God and others together"**

**\* LJKC Mission Statement: "Missional - Life, - Family, - Church & Next Generation"**

**\* LJKC Ministry Statement: "Mission ALL-LINE, Mission ALL-LIFE, Mission ALL-LOVE"**

- 1) Beginning the second chapter of the missional church, in the era of COVID-19, the church has had a valuable time to look back on the past 22 years of ministry.
- 2) While looking at the outward service and ministry of the missional church, the importance of the inside and spiritual faith has been reinforced, and the vision has been developed into a Mission-ALL church.
- 3) The Mission-ALL church is about clarifying the definition of a missional church. This is in order to accurately understand the identity and mission of the missional church.
- 4) It is to achieve the maturity of individual faith, the transmission of the family faith, and the expansion of the spiritual ministry of the whole church through missional life, missional family, and missional church beyond the service and ministry within the church building and church organization.
- 5) For this, we have declared the vision of the 2020 Mission-ALL Church: ALL-LINE, ALL-LIFE, ALL-LOVE.
- 6) Regarding this, in 2021, the "MGF (MISSIONAL GENERATION FUND)" has been announced, which is a declaration of faith for all generations: "I am the next generation, we are the next generation, and our children are the next generation."

## **3. Mission and Vision of MGF (MISSIONAL GENERATION FUND & FAITH)**

- 1) Missional Generation refers to the next generation who recognizes the identity, calling, and sending from the point of view of the kingdom of God and accepts the local community and the situation of the nation the church is facing as a missional vocation and discovers a unique mission and vision and dedicate to it.
- 2) Prof. Sang Hoon Lee, who aims for the North American Missional Church Movement, visited over 100 churches and analyzed 22 churches among them.

**\* The missional church can also be applied in the sense of the missional generation.**

- ① The missional church (missional generation) is built on the basis of clear awareness of one's existence and calling from the perspective of the kingdom of God.
- ② A missional church (missional generation) has its foundation on internal works as a community of faith.
- ③ A church that has established its identity as a missional church (missional generation) and is led by the Holy Spirit naturally goes out to the world and participates in missions.

3) Based on this definition of the missional church/missional generation, the mission of our church, "Missional Life, Missional Family, Missional Church," is the Mission-All Church vision of not only the preceding generation but also the next generation and the generation to come. Therefore, Lord Jesus Korean Church has declared the vision of the <MGF Missional Generation Fund>.

4) The meaning of the Missional (Next) Generation is not just the generation of children and the generation of the second generation. The meaning of "Next" is to emphasize the renewal of our own faith, the reformation of the faith of Lord Jesus community, and the transmission of the faith to the next generation.

**\* Mission statement of the Missional Generation:**

**"I am the Missional Next Generation!  
We are the Missional Next Generation!  
Our children are the Missional Next Generation!"**

5) As a first step for this, we established a vision for the MGF (MISSIONAL GENERATION FUND) in 2021 and declared it through prayers, expectations, and funds with one heart, proclaiming the mission, and selecting the month of August for the Missional Next Generation. The donation is made and dedicated every year through the month of August for the Missional Generation.

6) We give thanks to God for the fund of about 100,000 dollars being raised through the MISSIONAL GENERATION FUND in the Missional Generation month of August in 2021.

- 7) In 2022, we are praying that the letter F of MGF develops from 'FUND' to 'FAITH' going beyond giving and becoming an MGF of dedication and faith. (\*MGF: MISSIONAL GENERATION FAITH)
- 8) We ask for your prayers and support for the MGF ministry, to focus on Jesus and hold on to our mission, and take the first step with a vision for the missional next generation.
